ROKKO HOLDINGS LTD.
(Incorporated in the Republic of Singapore)
(Company Registration Number: 200309694C)

LAUNCH OF THE RS8000S

The Board of Directors of Rokko Holdings Ltd. ("the Company") wishes to announce that the Company has received shipments of a new package singulation dicer model PS280R (the "PS280R Package Dicer") from Tokyo Seimitsu Co., Ltd., a company based in Japan.

The PS280R Package Dicer will be used by the Company to deliver a fully automatic "twin stages and twin tracks" package singulation solution to customers through its newly developed integrated package dicing, pick and place systems equipment (the "RS8000S"). The RS8000S is expected to be officially launched and made available to customers in January 2008.

The Company intends to enter into a cross licensing agreement with Tokyo Seimitsu Co., Ltd.. A further announcement on this matter will be made in due course when the said agreement is signed, and as and when appropriate.

The Board of Directors of the Company also wishes to announce that its wholly-owned subsidiary, Finix Technology Pte. Ltd., has commenced shipment and mass production of its proprietary solder ball placement system, the FX-300.

The revenue from the sales of the RS8000S and FX-300 is not expected to contribute to the earnings per share of the Company and its subsidiaries for the current financial year ending 31 December 2007.

None of the Directors or controlling shareholders of the Company has any interest, direct or indirect, in the above transaction, save through their shareholdings in the Company, if any.

The initial public offering of the Company's shares was sponsored by China Construction Bank Corporation, Singapore Branch.

BY ORDER OF THE BOARD
